# FOREWORD

Our high school days are filled with cherished memories. Some you remember better than others, such as that important game you wanted so much to win, your first school dance, the class parties and picnics, the thrill of being a senior, and at last the wonderful feeling of accomplishment when that coveted diploma is placed in your hand.

But our high school days are filled with more than memories. They are also filled with valuable opportunities and experiences that should be taken advantage of.

To you, the student body of Mohave County Union High, we present the keys to these opportunities and to the future.

## DEDICATION

You hold no dream of fortune vast,  
Nor seek undying fame.

You do not ask when life is past  
That many know your name.

But you can live your life on earth  
Contented to the end,

If but a few shall know your name  
And proudly call you friend.

How else can we express our thanks  
To anyone so true,  
Except to dedicate this book,  
Mr. Musgrove, just to you?
